

Some things in life are bad.

They can really make you mad.

Other things just make you swear and curse.

When you're chewing on life's gristle,

don't grumble, Give a whistle!

And this'll help things turn out for the best-

And,

Always look on the bright side of life (whistle)

Always look on the right side of life (whistle)

If life seems jolly rotten,

there's something you've forgotten,

And that's to laugh and smile and dance and sing

When you're feeling in the dumps,

don't be silly chumps,

Just purse your lips and whistle, that's the thing!

Always look on the bright side of life (whistle)

Always look on the right side of life (whistle)

Always look on the bright side of life (whistle)

Always look on the right side of life (whistle)

Always look on the bright side of life
